## DISCLOSURES, REPRESENTATIONS AND FURTHER INSTRUCTIONS FOR PROGRAMMED PLAN OF TRANSACTIONS

**General Representations.** I understand that this Plan is intended to conform with certain provisions of Rule 10b5-1(c) under the Exchange Act ("the Rule"), and that, in general, the Rule provides an affirmative defense against allegations of insider trading to a person who comes into possession of material, non-public information with respect to a security who effects a trade in the security, provided instructions to effect the trade are included in a 10b5-1 plan established prior to the person becoming aware of the material, non-public information. I hereby represent to Wells Fargo Advisors that, as of the date of my signature below:

- I am not in possession of material, non-public information about the securities which are the subject of this Plan;
- This Plan is being entered into in good faith and is not part of a plan or scheme to evade compliance with federal securities laws;
- Other than as otherwise disclosed herein, I am under no legal, regulatory or contractual restriction or undertaking that would prevent Wells Fargo Advisors from acting upon the Instructions, including but not limited to any private placement transfer restrictions, pledge or other encumbrance, rights of first refusal, or any other matters that may prohibit or prevent the free transfer of the securities covered by this Plan;
- If I am a director or executive officer of Issuer, then I am not subject to any current pension fund blackout period applicable to Issuer, and am not aware of the actual or approximate beginning or ending dates of any such blackout period
- I understand that it is my responsibility to comply with all applicable securities laws and policies of Issuer of the securities with respect to the transactions contemplated by this Plan.
- I understand that the laws governing insider trading are fact-specific and that Wells Fargo Advisors does not and cannot guarantee that any transaction that is executed pursuant to the Plan will be deemed covered by the protections of the Rule.

**Effective Date.** This Plan will become effective as of the Effective Date. I acknowledge and understand that the transactions contemplated by this Plan (the "Instructions") will occur on or after the date or dates that are provided in the Instructions ("Trade Date(s)"). In no event shall any such Trade Date occur prior to the Effective Date of this Plan.

**Termination of Plan.** I direct that this Plan will terminate at market close on the Termination Date or upon the completed purchase or sale of the Maximum Shares subject to this Plan. In addition, this Plan shall automatically terminate, regardless of whether the Maximum Shares have been purchased or sold, if:

- Wells Fargo Advisors receives notice of my death;
- Wells Fargo Advisors receives written notice from me terminating this Plan (which may be given for any reason);
- I receive written notice from Wells Fargo Advisors terminating this Plan (which may be given for any reason);
- If I fail to pay for any trade entered pursuant to the Plan or fail to comply in any material respect with any applicable law and/or my obligations under this Plan;
- Upon my, or Issuer's notice demonstrating to Wells Fargo Advisors that any of the following contingencies have occurred and that the Plan should be terminated:

- A public announcement has been made of a tender offer involving Issuer's securities;
- A definitive agreement has been announced relating to a merger, reorganization, consolidation or similar transaction involving Issuer in which the securities covered by the Plan would be subject to a lock-up provision or in which Issuer is not expected to be the surviving entity following the conclusion of such transaction;
- A sale has been made of all or substantially all of the assets of Issuer on a consolidated basis to an unrelated person or entity, or if a transaction affecting Issuer occurs in which the owners of Issuer's outstanding voting power prior to the transaction do not own at least a majority of the outstanding voting power of the successor entity immediately upon completion of the transaction;
- A dissolution or liquidation of Issuer takes place; or
- If I, or Issuer, have a good faith belief that the Plan or its attendant transactions may violate existing, new or revised federal or state laws or regulations, or may cause a breach of a contract or agreement to which Issuer is a party or by which Issuer is bound and provide notice of same to Wells Fargo Advisors.

In no event shall Wells Fargo Advisors be deemed to have not followed the Plan if I, or Issuer do not provide notice of the above contingencies prior to the placement of a scheduled order under the Plan.

**Modification of Plan.** This Plan may not be modified unless (a) I, and Issuer, approve the modification in writing and such modification is accepted by Wells Fargo Advisors, (b) I represent, in writing, on the date of such modification that I am not aware of any material, non-public information regarding Issuer or any of its securities (including the shares) and the modification is being made in good faith and not as part of a scheme to evade the Rule, and (c) such modification occurs only in accordance with Issuer's insider trading policy and procedures, or as otherwise approved by Issuer. I further understand that Issuer may impose additional requirements as a condition of allowing me to modify this Plan, including, but not limited to, a period of time which must elapse before trading may resume following such modification. I agree to comply with any such additional requirements imposed by Issuer and to advise Wells Fargo Advisors of such requirements. I further agree that any such modification of this Plan shall be undertaken at my own risk without liability or consequence to Wells Fargo Advisors.

**Effect of Deviation From Instructions.** I understand that the protections of the Rule may not apply if I alter the Plan or deviate from the instructions in any way. I further understand that I may be considered to have altered or deviated from the Plan if I change the amount, price or timing of any purchase or sale; if I enter supplemental, ad hoc orders with respect to the security that is the subject of the Plan; if I attempt to directly or indirectly influence the timing of the placement or execution of orders other than through these written instructions; or if I enter or alter a corresponding or hedging transaction with respect to such security. I understand that any such activities would be undertaken at my own risk without liability or consequence to Wells Fargo Advisors.

**Suspension of Plan.** I understand that trading under this Plan may be suspended if Wells Fargo Advisors has received written notice from Issuer, or from me, of the occurrence of any event that would prohibit a sale under this Plan, including, but not limited to the existence of any legal, accounting, regulatory or contractual restriction applicable to Issuer or to me, including, but not limited to, Regulation M. Such notice will only indicate the anticipated duration of the trading prohibition and will not include any other information about the nature of the event causing the trading prohibition or its applicability to me. Upon receipt of such written notice, I expressly authorize Wells Fargo Advisors to suspend trading as soon as practicable and trading shall not resume until Wells Fargo Advisors has received written notice of the lifting of such suspension or the resolution of the underlying restriction. In the event that the events giving rise to a suspension of trading cannot be resolved within a reasonable time, I understand and acknowledge that Wells Fargo Advisors reserves the right, in its sole discretion, to terminate this Plan in accordance with the provisions contained herein.

Upon the resumption of trading following a suspension, any trades having a Trade End Date that occurred during such suspension period shall be deemed to have expired as of their original Trade End Date. Any trades having a Trade Start Date which occurred during the period of suspension shall be placed as soon as practicable for the balance of time

remaining until the Trade End Date applicable to such trade. All other trades shall be placed as originally indicated in the Plan.

**Market Disruptions, Internal Restrictions and Other Unusual Situations.** I understand that Wells Fargo Advisors may not be able to effectuate a sale due to a market disruption or a legal, regulatory or contractual restriction to which it may be subject. If any transaction cannot be executed due to a market disruption, a legal, regulatory, or contractual restriction applicable to Wells Fargo Advisors, or any other event, Wells Fargo Advisors agrees to so advise Client and effectuate such sale as promptly as practical after the cessation or termination of such market disruption, applicable restriction or other event. In addition, it is understood that, from time to time, Wells Fargo Advisors places internal restrictions on the ability of customers to enter orders in connection with specific securities. In the event such restrictions may apply to the securities covered by this Plan, and that such restrictions would prevent orders from being placed in connection with these instructions, then this Plan will automatically terminate with no liability to Wells Fargo Advisors.

**Non-Market Days and Trading Restrictions.** If I have given instructions that require an order to be entered on a particular date, and the date that I have selected for a transaction falls on a day when the applicable primary market for the security is closed, or that is prohibited due to other circumstances, such as a corporate blackout period, then I direct that the transaction occur on the next regular business day on which such market is open following the original date indicated or following the lifting of such trading restriction.

**State Insider Trading Laws.** I understand that some states may have their own laws that relate to insider trading. I understand that Wells Fargo Advisors makes no representation to me with respect to whether this Plan conforms to the laws of any particular state, and that I will seek the advice of my own counsel with respect to matters of state law.

**Effect of "Short-Swing Profit" Rules.** I understand that federal securities laws may require me to disgorge all profits earned in connection with any purchase and sale of stock that occurs within six months of each other if I own 10% or more of any class of the issuer's equity securities, or if I am an officer or director of Issuer (i.e., "short-swing profits"). I further understand that it is my own responsibility to ensure compliance with such short-swing profit rules, and that I will seek my own counsel with respect to ensuring compliance with such rules.

**Sales of Restricted Stock or Control Stock Pursuant to SEC Rule 144.** I understand that the Plan is applicable only as to securities that are freely-tradable and that are not subject to any restrictions against purchase or sale. If I am considered an "Affiliate" within the meaning of Rule 144, then I understand that the provisions of that rule may limit the number of shares I can sell at any given time. In the event there is a conflict between the quantity of securities that I have directed to be purchased or sold and any lesser amount of shares that are permitted to be sold pursuant to Rule 144 or other securities laws or rules, I hereby direct that the maximum limits established by such other laws or rules shall govern. Further, because volume limitations are applicable under Rule 144 regardless where I may sell securities, I represent that I will place no orders with other securities firms to sell securities of the same class as those contemplated by this Plan without immediately notifying Wells Fargo Advisors in sufficient time to prevent any improper sales.

I agree to timely provide completed and signed Rule 144 paperwork to Wells Fargo Advisors. I acknowledge that Wells Fargo Advisors requires this paperwork to facilitate Rule 144 trades for my account. Consistent with Rule 144 filing requirements, Wells Fargo Advisors hereby agrees to submit my completed Rule 144 paperwork to the Securities and Exchange Commission (the "SEC"). In the event that I am unable to provide completed Rule 144 paperwork, I hereby authorize and agree that Wells Fargo Advisors will act as my agent to complete my paperwork. In order for Wells Fargo Advisors to complete this paperwork, I authorize Wells Fargo Advisors to maintain my pre-signed Forms 144 in safekeeping and to complete these forms as necessary before submitting them to the SEC. I further agree to release, hold harmless and discharge Wells Fargo Advisors and their affiliates, agents, officers, successors and insurers from any and all claims, demands, losses, liabilities, damages and other expenses which may be sustained at any time relating to its facilitating transactions and completing necessary paperwork on my behalf under Rule 144 except, in each case, to the extent such claims, demands, losses, liabilities, damages or expenses are attributable to Wells Fargo Advisors' gross negligence, willful misconduct or bad faith.

**Reporting Requirements for Certain Shareholders.** I understand that there are securities laws and rules that require certain shareholders to timely file reports with the Securities and Exchange Commission as to the shareholder's purchases and sales of Issuer's securities. I understand that it is my responsibility to ensure compliance with such rules, and that I will seek my own counsel with respect to whether and when such reports might need to be filed.

**Adjustments to Share and Dollar Amounts.** All share numbers and per share dollar amounts set forth in this Plan shall be adjusted proportionately, or in such manner as to preserve the original intent of the Plan, to account for any stock splits, stock dividends and/or similar events occurring with respect to the shares after the Effective Date of the Plan.

**Coordination With Issuer.** I understand that Issuers may restrict or limit employees or certain other persons from trading in Issuer's securities (e.g., an employee or director may only be permitted to trade during certain "window periods" or may be prohibited from trading during certain "blackout periods"). In addition, I understand that, if I am deemed to be an affiliate or an affiliated purchaser of Issuer whose securities I might be purchasing, then my transactions could limit or otherwise hinder Issuer's ability to effectuate a share repurchase program under federal securities laws and rules (specifically, SEC Rule 10b-18). Therefore, I represent to Wells Fargo Advisors that, to the extent such provisions may apply to me, I have reviewed this Plan with Issuer and that Issuer has consented to the Plan. I further authorize Wells Fargo Advisors to provide a copy of this Plan to Issuer and to discuss the terms of this Plan with Issuer, including the confirmation of any trades hereunder or the provision of such information as needed by Issuer to complete any regulatory filings required of me or Issuer.

**Indemnification.** I understand that Wells Fargo Advisors can make no representation or guarantee that any transaction entered according to the Plan will not subsequently be found to violate federal or state laws or rules against trading by insiders or trading on the basis of material, non-public information or other laws or rules governing securities transactions. Therefore, in consideration of Wells Fargo Advisors' acceptance of these instructions, I hereby agree to indemnify and hold harmless Wells Fargo Advisors and its directors, officers and employees from any liability, loss or expense (including any legal fees and expenses reasonably incurred) arising out of (i) any assertions that the Plan or sales made under the Plan do not comply with the Rule or with state securities laws or regulations prohibiting trading on the basis of material non-public information or (ii) Wells Fargo Advisors' actions taken or omitted in compliance with the Plan; except, in each case, to the extent such liabilities, losses or expenses are attributable to Wells Fargo Advisors' gross negligence, willful misconduct or bad faith.

**Confidentiality.** Wells Fargo Advisors will maintain the confidentiality of this Plan and will not disclose the specific terms of this Plan to any person or entity, except: (i) to employees, affiliates and agents of Wells Fargo Advisors who have a legitimate business need to know such information, (ii) if required by law or by appropriate administrative process, to any governmental agency having jurisdiction over Wells Fargo Advisors or any self-regulatory organization of which it is a member, such as identification of the plan inception on Rule 144 filings, or (iii) to any other person or entity to the extent such disclosure is required by law or by a subpoena issued by a court of competent jurisdiction, provided that Wells Fargo Advisors shall give prompt notice to me of its receipt of a subpoena or similar process.

**Wells Fargo Advisors Policies and Procedures on Insider Trading.** Wells Fargo Advisors acknowledges that it has implemented and will maintain reasonable policies and procedures which prohibit any Wells Fargo Advisors' associate from acting on material non-public information concerning Issuer and/or the shares which are the subject of this Plan, from taking certain actions with respect to such material non-public information including prohibitions against acting upon such information for the benefit of such associate in his or her personal accounts or any related accounts, from disclosing such information to anyone except in an appropriate capacity, and prohibitions against tipping outside parties.

**Effect of Instructions on Other Agreements with Wells Fargo Advisors.** Nothing in this Plan changes any other terms or agreements that are already applicable to my account or accounts, or that otherwise exist between Wells Fargo Advisors and me.

**Inconsistency with Applicable Law.** If any provision of this Plan is, or subsequently becomes inconsistent with any applicable present or future law, rule or regulation, that provision shall be deemed modified, or, if necessary, rescinded, to the extent necessary to comply with the relevant law, rule or regulation. All other provisions of this Plan will continue and remain in full force and effect.

**Choice of Law Regarding Interpretation of Instructions.** This Plan shall be construed in accordance with the laws of the State of New York.
